How amiable are thy tabernacles O Lord of hosts.

A wide-angle photograph of a maple syrup production site in a forest. A white banner with blue lettering and a green maple leaf graphic hangs across a path, reading "SUGAR SHACK". Several metal buckets are attached to the trunks of maple trees, collecting sap. The ground is covered in patches of snow and fallen leaves. The background is a dense forest of bare trees, with a few evergreen trees visible. The sky is clear and blue.
